## CALL CENTER JOBS .COM

Today's buyer of products and services is different than just 10 years ago. Today's buyer acquires their information online, through various sources, on a timeframe that makes sense to them. CallCenterJobs.com and TelePlaza.com provide an environment that facilitates this process of delivering relevant information to today's buyer through Demand Generation.

### NEW Partnership with CallCenterJobs.com

TelePlaza is the NEW Content provider for CallCenterJobs.com. Call Center Supplier Ads will be displayed on the site under two categories:

- Problem / Solution
- What YOU do best

This NEW area is an opportunity for your firm to reach the Call Center Marketplace on an ongoing basis ... WITHOUT ... the added expense of creating NEW content to market your firm.

### Location – Location – Location...also applies to Online Real Estate. Are you visible?

Join our community of call center professionals and introduce your firm to our audience when they are looking specifically for your product or service.

To reach us call **1.800.422.4932** or **402.933.0342** outside the US and Canada.
